Thx Robert. Let's ensure OPA is tracking this potential engagement and we get approval to execute.

Best regards,

Andrew

**Subject:** voice message follow-up media inquiry

Hi Andrew,

To follow up on your voice message from this morning. I was able to reach Mara Silvers ([msilvers@wnyc.org](mailto:msilvers@wnyc.org)), senior producer with [The Take Away WNYC](#), a radio show out of New York affiliated with NPR. She is the one who reached out to you last week regarding the CFAC site.

Their production team are traveling to MT this week to produce some stories from MT and Glacier including the CFAC site. They have lined up interviews with people from the community of Columbia Falls Friday 19<sup>th</sup> for their CFAC story. As a part of that, they hope to interview appropriate EPA staff as well.

I forwarded Mara a link to the webpage and a copy of the draft CIP for the site and asked her to send to me any questions she may have in advance. When I receive her questions, I will work with Mike Cirian, RPM for the site, Rich and the site team to develop response points per SOP.
